Homework 3

Problem 1:

a) Code in the files

b) Despite not being asked explicitly to make a testbench, one was still made so as to verify that the code was working as it should. Here are the testbench results using following values for each test:

Test 1: A=1, B=1

Test 2: A=5, B=10

Test 3: A = 100, B=100

Test 4: A = 255, B = 255
